1st International Skin Integrity & Infection Prevention Conference

University of Huddersfield
27th and 28th June 2016
Learning objectives:

• To explore new infection/prevention management strategies

• To address new preventative and therapeutic strategies in light of antibiotic resistance

• To hear about new findings and results on the use of antiseptics on wounds

• To participate in a study to form a consensus document on factored-in cost of wound care

• To explore computer modelling and simulations for understanding chronic wounds and wound healing

• To take part in a symposium on wound measurement

• To network with other professionals

1st International Skin Integrity & Infection Prevention Conference

Monday 27th June

09.30–10.15 Registration and refreshments

CHAIR: Jacqui Fletcher, Independent Wound Care Consultant, Bedfordshire

10.15–10.30 Opening remarks
Professor Bob Cryan, Vice Chancellor, University of Huddersfield

ENSURING QUALITY SERVICES
1st International Skin Integrity & Infection Prevention Conference

Tuesday 28th June

09.00–09.25 Refreshments and exhibition viewing

CHAIR: Chair to be confirmed

09.25–09.30 Opening remarks by chair

09.30–10.00 Computer modelling and simulations for understanding chronic wounds and wound healing
Professor Amit Gefen, Professor in Biomedical Engineering, University of Tel Aviv, Israel

SYMPOSIUM ON WOUND MEASUREMENT

10.00–10.15 Current evidence in wound measurement
Dr Paul Chadwick, Consultant Podiatrist, Salford Royal NHS Foundation Trust

10.15–10.30 Clinical practice in wound measurement
Leanne Atkin, Vascular Nurse Specialist, Mid Yorks NHS Trust & Lecturer, University of Huddersfield

10.30–10.45 The future of wound measurements - 3D printing and scanning
Dr Leigh Fleming, Subject Area Leader – Mechanical and Automotive Engineering University of Huddersfield
Dr Jess Power, Director of Teaching and Learning, School of Art, Design and Architecture

10.45–11.00 Discussion

11.00–11.30 Refreshments, exhibition and poster viewing

11.30–12.30 Poster presentations

12.30–13.40 Lunch, exhibition viewing and poster voting

13.40–14.20 Bio engineering
Professor Dan Bader, Professor of Bioengineering and Tissue Health, University of Southampton

14.20–14.50 Why should an inter-professional approach to managing skin integrity be adopted globally?
Professor Karen-Leigh Edward, Associate Professor, Australian Catholic University

14.50–15.15 Consensus from study

15.15–15.20 Announcement of poster winner

15.20–15.30 Closing remarks by Chair

15.30 Close of conference

Who should attend?

The 1st International Skin Integrity & Infection Prevention Conference will be of value to:

- Those working in tissue viability, including TVNs and tissue viability specialists
- Those working in infection prevention
- District nurses
- Ward nurses
- Medical staff
- Postgraduate researchers
- Engineers
- Those working in procurement
- Clinical Commissioning Groups
- Industry

Conference conditions
1. Returning the signed registration form constitutes a firm booking.
2. The Company reserves the right to cancel a booking if payment is not made six weeks prior to the conference taking place. Any outstanding payment becomes the responsibility of the signatory made on the reservation form.
3. Written cancellations received six weeks prior to the conference will be accepted and a refund less a 10% administration fee will be made. After this date, no refunds can be given. Written cancellations will not be accepted. If written cancellation is not received six weeks prior to the conference full payment will still be due irrespective of whether the delegate attends the conference. Substitute delegates are welcome at any time.
4. MA Healthcare Ltd reserves the right to make changes to the programme and arrangements without prior notice. Speakers and programmes are approached at time of print.
5. MA Healthcare Ltd shall not have any liability, except for death or personal injury caused by its negligence, beyond the value of the conference. Personal arrangements including travel, subsistence and accommodation relating to the conference are made by delegates at their own risk.
6. We will be seeking support from pharmaceutical companies for this conference.
